Elevate Your Framing

Price Book
March 2026

Dear Valued Partners,

As President of Engelsen Frame, I want to extend my heartfelt gratitude for your continued trust and partnership through all the improvements we have made throughout the last year. Your success is our success, and it drives us to continuously improve and innovate to better serve you.

Elevate Your Experience

In 2024, we made significant investments to make doing business with us easier, better, and faster.

Online Ordering & Account Management

Our new online platform allows you to place orders, manage your account, pay invoices, and check real-time inventory levels—all at your fingertips.

Flat-Rate Shipping Program

We've upgraded our flat-rate shipping to include even longer boxes at no additional cost, ensuring you receive your products efficiently and affordably. See page 6 for more details.

New Premium Collections

We're thrilled to launch several new product lines sourced from the finest manufacturers in Europe, offering you unparalleled quality and design.

“Better Basics” Collection

Introducing our “Better Basics” collection—standard black and white frames that match competitors' price points but exceed in quality with no gesso, giving you less waste and your customers exceptional value.

Our Commitment to You

This year has also been a special one for our family—we welcomed our first child in 2024! As a family-owned business, this milestone deepens our commitment to building strong, lasting relationships with you, our valued partners.

We will continue to be passionate about providing you with top-tier products and exceptional customer service. Our team is always here to support you, and we're excited about the opportunities ahead.

Thank you for being a part of the Engelsen Frame family. We look forward to a prosperous year together!

Warm regards,

Katie Hill

President, Engelsen Frame

General Information

Personalized Customer Service

There are several easy and efficient ways to do business with Engelsen:

- Call a friendly and experienced customer service representative at 727-581-0100.
 - Online at www.engelsenframe.com.
 - Email us at support@engelsenframe.com.
 - For after business hours, you can order online, by email, or leave a voicemail.
-

Terms & Credit

- An open account may be established by submitting the credit application. Forms are available on our website or by contacting a Sales Representative or our Customer Service team.
 - Please allow two weeks for credit approval. Initial orders can be pre-paid with a credit card.
 - We always accept Visa, Mastercard, and American Express credit card payments.
 - Approved standard credit terms are Net 30 days from the invoice date.
 - A late fee will be applied to all past due balances.
 - Our terms of 2%/20 net 30 will apply only if the check payment is received within 20 days of the invoice date in order to take 2% off.
 - The 2%/20 net 30 is not applicable on payments made online.
 - If a Terms Account does not stay current, a credit card will be required for future orders.
-

Late Fee Policy

- Effective January 2025, a service charge of **2%** per month will be applied to all overdue balances.
- In addition to the late fee, customers will also pay a **\$30** fee for all checks returned for insufficient funds.

General Ordering Information

- For orders received prior to **12pm noon EST**, we strive to ship the same day. On rare occasions, due to high volume, there may be some exception to this timeline.
 - You can place orders via phone, online, or email.
 - There is no minimum requirement for shipping orders, however, a **\$5.00** handling fee will be applied to the orders less than **\$30**.
 - We ship all orders in the most efficient and economical way possible via UPS, FedEx, or Spee-Dee, depending on delivery area. Specific carrier requests will incur an additional **\$30 fee**.
 - For straight cut chop orders, the customer is responsible for adding length to the order to ensure it can be cut to the desired frame size. We will straight cut to the specific dimensions requested and will not add additional length.
 - We recommend you add a minimum of two times the moulding width plus two additional inches to the desired frame size when ordering straight cuts. Straight cuts will be charged at chop price for the required footage of the requested measurements.
 - We pride ourselves in quick turnaround times. Due to this, if you add on to your initial order, we cannot guarantee the two parts will ship together.
 - If the initial part of the order is already too far into production, they will ship separately and shipping charges will apply to both parts of the order. To ensure that everything you need ships together, you will need to place the complete order at the same time.
-

Online Ordering Information

- If you need to set up an online account, please email support@engelsenframe.com.
- Orders to be shipped with UPS/FedEx, cut-off times will follow the same guidelines outlined above.
- For local deliveries, the online ordering cut-off times are 11:59pm EST. For more information on your specific cut-off days, please contact our customer service team.
- If you place two orders on the same day or back-to-back days, there is no guarantee they will be shipped in the same box and an additional shipping charge may apply.

Special Instructions & Requests

- We will cut non-floater frames with an industry standard 1/8" allowance, unless otherwise specified.
- When ordering floater frames, you must include the float gap to your measurements.
- When ordering a liner, please give us the exact measurements of the liner and then order the outer frame to fit the liner.
- When ordering stacked frames, start with the innermost frame using the precise artwork dimensions and then order the additional frames to fit the first.
- When ordering length moulding, it is always most economical to provide cutting instructions for shipping. Our customer service representatives cannot suggest cutting instructions for your length orders.
- Dimensions for length orders must be given when ordering. We will not derive measurements to cut length orders based on frame size. Customers must provide cutting instructions. If a frame size is given without specific cutting instructions, you will be charged chop pricing.

EXPANDED Shipping Program and Information

Standard Charges	
Order Total \$	Shipping Charge
\$150 and Up	FREE
Less than \$150	\$9.95

Additional Oversized Charges	
Package Length	Additional Shipping Charge
48" and less	FREE
49" – 92"	\$20.00
93" & Up	Freight Shipping

PLEASE NOTE

- “Package Length” refers to the dimension of the shipping box, not the frame moulding itself. For example, if the moulding is 50” in length, including the miter cut, the overall packaging length will be approximately 54” long. We will always do our very best to keep the shipping box under 48” while still packing the product securely.
- For your full length orders, please allow extra time for proper packaging.
- Expedited shipping can be requested, however, expedited charges are the responsibility of the customer.
- We will always try to ship the order from the closest warehouse to you. However, if stock is not available, we will contact you to get approval to ship from another location prior to shipping.
- Shipping charges will apply to each order placed, even if multiple orders are placed on the same day. The only way to ensure your entire order ships together and qualifies for one shipping charge is by placing the entire order at one time.
- Effective January 2025, we are no longer accepting COD payments, due to changes in carrier COD policies.

Return & Cancellation

We take extreme care in packaging your orders, however, occasionally an order will be damaged in shipping. Please inspect boxes for damage upon arrival and have the UPS or FedEx driver note any damages. Contact a customer service representative immediately if the product is damaged upon arrival.

- Upon receipt of all goods:
 - Inspect product for correct size, moulding number, quantity and any imperfections.
 - All imperfections or issues MUST be reported prior to any alterations.
- The following are NOT eligible for a refund, credit or replacement:
 - Orders invoiced over 30 days.
 - Chops that have been joined, fitted or altered.
 - Lengths that have been cut, joined, fitted or altered.
 - Incorrect sizes ordered.
- All returns must be approved and scheduled with our customer service team.
- We will request photos of damage or imperfections of products received. These photos are used for training purposes as well as filing claims with shipping carriers if the damage was caused in shipping.
- When we request an item to be sent back, we will send you a return label. We are not responsible for any charges incurred on returns that were not approved prior to being sent back.
- If any order is canceled prior to cutting and packaging, there is no cancellation charge.
- If any order is canceled after cutting or packaging, there will be a 30% restocking fee.
- If an order is canceled after it has been shipped or delivered, a 30% restocking fee will be charged in addition to all shipping or delivery charges incurred.
- Orders for joined frames cannot be canceled if the frame has already been joined.
